

SUPPORT YOUR SCHOOL

www.sunsetranchptc.org

It's going to be a great year! Your 2019-2020 PTC Board is pledging to strive to ensure that every parent, guardian, and teacher feel that they are valued and important contributors to our school community and PTC. Financial support is important and appreciated at any level. We also ask that you consider pledging your time to Sunset Ranch. This year we have so many volunteer opportunities with a wide range of time commitments; some jobs can be done at home and others will bring you to school or off campus. This is a great way to contribute to our dynamic school community and make personal connections with fellow parents. Please consider supporting our school!
